Empowering. Restoring. Preventing. Because every child deserves a childhood.

Greetings!

We are incredibly proud to share the impact we've made together in the past year, and we want to take a moment to thank you for your generous support. Thanks to your contribution, we've achieved some remarkable milestones in 2024:

- **1,480 kids assisted**
- **1,866 mental health counseling hours**
- **17,367 students received Safety Matters education**
- **186 children served per month by the CARES program**

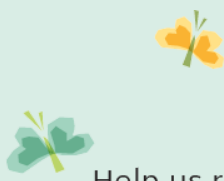

These numbers represent more than just achievements—they represent lives touched, futures changed, and a community that's stronger because of your belief in our work. We know none of this would be possible without the incredible support of people like you.

Thank you for standing with us, for believing in our mission, and for helping make a real difference. Together, we are building something truly impactful, and we can't wait to see what the future holds with you by our side.

Here's to another AMAZING YEAR!
